Convention Europe

Convention Europe

28th - 30th Sep 2019 | Zurich & Munich

CrowdNode will attend.
Will you?

Transparency Report August 2019

Dear all,

As you can see from the front-page the Dash Convention Europe is soon coming up. We think it is very important for the community to meet up with likeminded people.

Peter will from our side give a presentation, but we are most of all looking forward to meeting a lot of people from the community, thus the full CrowdNode-team is going to attend the conference.

We hope to see as many of you there as possible 😊

Main take-aways of the month:

- August was a great month in terms of deposits. With deposits of 3.454 Dash, deposits were more than doubled compared to July.
- At the same time, the level of withdrawals kept to a relatively low level, thereby resulting in three new masternodes being spun up.
